

# Civic Pride Award 2019

This award showcases outstanding work to preserve, enhance or extend a block of buildings, single building, structure or other heritage asset to:

- Preserve, enhance or better reveal its character or appearance.
- OR
- Save it from demolition or removal.

Nominations are also invited for outstanding work on the setting or landscape in which in which a building is located where such work enhances the building's visual impact.

The award applies to buildings or structures in Bexhill excluding the Bexhill Old Town Conservation Area but including Collington, Cooden, Little Common, Pebsham and Sidley.

In making this annual award, Bexhill Heritage's committee shall consider:

- The philosophy behind the restoration and / or conservation.
- The extent to which the building or structure's original character has been maintained.
- Any research carried out to ensure period detail would be appropriately preserved / restored / reinstated or better revealed.
- The techniques adopted to use, conserve or re-use traditional materials.
- The extent to which local businesses and tradespeople have been commissioned to provide advice, materials and labour.
- Provisions for the building's future maintenance and its long-term prospects.
- Any response to the work by the users and / or wider community.
