

Dear Mr. Hickling

Building Preservation Notice and Listing - Baptist Church and Down Cottage

Regrettably your note of the 17th April which I acknowledged on the 18th April does not advance our understanding of the situation. We would be pleased to be informed –

1. Are your officers instructed the merits of serving a BPN in respect of either of the above buildings?
2. Are the results of any such investigation to be reported to members and ourselves?
3. If the investigation has already taken place may we please see the reports?
4. Is the procedure for decisions on BPN's fully delegated to officers, if not please explain the process.
5. In respect of the Baptist Church, do you know what prompted the withdrawal of the second prior notification?
6. Your email of the 12th April mentions your intention to speak to the Baptist Church. What did you learn from them?

We would be pleased to meet with you to discuss these and other points which may avoid prolonged correspondence.

Your sincerely
