

Dear Cllr. Oliver.

Thank you for your letter dated 11 June 2019 explaining the current status on Destination Leisure.

My apologies for the delay in acknowledging - I am still catching up on correspondence following my holiday last week!

BH committee is currently collating a hard copy report which will be delivered to each member of planning + yourself providing correspondence; meeting details and background history between BH and the previous incumbents.

Kind regards,

Raymond Konyn (Chairman, Trustee, Founder, & Events Co-ordinator)
