Attn. Ms. J Edwards (Case Officer)  
Town Hall

11 June 2018

Dear Ms. Edwards,

**Reference: RR/2017/1705/P**

**Proposal: Outline: Residential development for circa 160 dwellings with all matters other than access reserved.**

**Location: Spindlewood Drive - Land off, Bexhill**

On behalf of members of Bexhill Heritage, please find the following strong objection letter:

- 1) The amended plans are fanciful and misleading so far as the proposed Barnhorn Road junction wall and piers are concerned. The Highway Authority will not accept such a configuration on highway safety and adoption criteria grounds.
- 2) It appears that there is insufficient space available to retain a meaningful part of the existing gateway heritage feature and associated trees and shrubs.
- 3) The plans do not deal with our objection regarding the setting of the listed buildings.
- 4) The additional landscaped areas now proposed do not fall within the application site boundary or within any blue line definition. They cannot therefore be relied on to be carried out.

Yours Sincerely,

A handwritten signature in cursive script that reads 'Raymond Konyn'.
